To run part 1 of this assignment, please type the following in your terminal:

`py sample_pinger.py <IP HERE>`

For example,

`py sample_pinger.py 8.8.8.8`

To run part 2 of this assignment, please type the following in your terminal:

`py analysis_pcap_arp.py`

Or run the program in your IDE. Make sure the pcap file in the source code is in the same directory as the python project.
